Report Suspicious Incidents

Community members who encounter a suspicious incident are reminded to not commit themselves to do anything and to ask for time to think over any offers. Remember all descriptions and details about locations, people, conversations, vehicles and license plates. Report the incident immediately by calling the Stuttgart Military Intelligence Office at 421-2206/civ. 0711-729-2206.

Events/Functions Require FP Plan

A force protection assessment plan should be completed for all off-post official and U.S.-sponsored events. The organizer(s) of an un-official, off-post event involving 50 or more individuals should also complete a force protection plan. Once the plan is completed, the organizer should contact the 6th Area Support Group Force Protection Office at 421-2860/civ. 0711-729-2860, to review the plan. Unit organizers will be contacted via telephone and e-mailed notifying them of the outcome.

POSH Refresher Mandatory

All department of Army civilian employees and any manager who supervises civilian employees are required to attend refresher training in the Prevention of Sexual Harassment each fiscal year. The last class for this year is April 10, 10:30 to 11:30 a.m. in Kelley Barracks building 3307. For info call 421-2649/civ. 0711-729-2649.

Sending Mail To Deployed Troops

Family members who send regular mail need to use the soldier's full name (without rank), unit and APO address. Letters to Kuwait will normally take seven to 10 days, priority parcels 10 to 15 days and Surface Air Mail 24 days. Each country has customs regulations that apply to all incoming mail.

Host countries mostly prohibit the entry of alcoholic beverages of any kind, narcotics, munitions, pork and pork by-products, pornography and material contrary to the Islamic religion.

Letter mail is not opened unless it appears unusually bulky, in which case it may be examined to see if it contains contraband. The maximum length of a package in any category is 48 inches.

Other tips to help ensure timely delivery of mail include: wrap packages securely, label packages properly and list all contents. Families should not put the country or the base camp's city on the mail because it might get sent through the host country's mail system.
